"Motion for Copies"

Civil Action No. #

#150479  
James A. Fleming  
Pro Se Plaintiff,  
v.  
Medical Nurse, SCDC  
William Brown, Officer SCDC  
L. Williams, Officer SCDC  
Bernard M. Kie, Warden SCDC  
Robert Ward, acting Director  
In their individual, and  
official capacities,  
Defendants,

I would like to request the court, or Clerk of court, to send back copies to me of the exhibits which I have sent with my complaint, because the law library clerk, Rhea-Rogers, here at Kirkland Correctional Institution, and General Counsel, has refused to do so. Stating that I have to have a case number beforehand. I am also sending with this Motion, my return request from her where she states this. Why she refuses to make the copies is beyond me, that to my understanding, policy states that she is suppose to if I am in the process of filing a lawsuit. But maybe things have changed.

respectfully Submitted
